

2017 Greetings From The Katz Family

2017 was quite an eventful year for the Katz family. Dad passed away just a few weeks shy of his 92nd birthday. Dave retired from work with Innovation Saskatchewan & continues with his Ethics classes at the U of S. Pat celebrated her 65th birthday & continues to speak and write on a reduced schedule. Travels included: a Mexican Riviera cruise, visits to San Francisco and Sausalito; a Rocky Mountain Road Trip; and a Euro adventure in Amsterdam, Milan, Lake Como, Paris, with a Viking cruise on the Rhine River. We enjoyed summer family time in Waskesiu, & lots of great times with the kids & grandkids throughout the year. Pat released a series of Canada 150 paintings, took on several commissioned paintings, & enjoyed five days of learning at the Canadian Watercolor Symposium. We send the best wishes to you & yours for health & happiness in the year ahead.
