

This year brought many adventures and blessings our way. Travels around the Caribbean, Europe and west coast of North America. Treasured times with family and friends. Celebrating Mom’s 90th birthday. Pat continues to make art everywhere we go. Dave’s artistry thrives in the kitchen. In spite of rotating aches and pains that come with the vagaries of aging, we’ve been pretty well. We’re grateful for 2023 and hopeful for the year ahead.
